

Wall Push Up

TARGETED MUSCLES: Arms, shoulders, and chest

These push-ups will strengthen your arms, shoulders, and chest. Try this exercise during a TV commercial break.

1. Face a wall, standing a little farther than arm's length away, feet shoulder-width apart.
2. Lean your body forward and put your palms flat against the wall at shoulder height and shoulder-width apart.
3. Slowly breathe in as you bend your elbows and lower your upper body toward the wall in a slow, controlled motion. Keep your feet flat on the floor.
4. Hold the position for 1 second.
5. Breathe out and slowly push yourself back until your arms are straight.
6. Repeat 10–15 times.
7. Rest; then repeat 10–15 more times.
